BANK

I'd like to open a bank account

Kindly guide me, please.

What type of account would you like to open?

What's the difference between them?

By having saving account, you earn interest.

You can save your money. But the transactions are limited.

By having a checking account, you can pay utilities.

You can have debit card and chequebook.

Set up the account with 50 pounds.

What documents do I need for opening a bank account?

You should provide a proof of identity (driving license).

The proof of address (the recent utility bill)

I set up your account right now.

The service is totally free of cost.

Please sign your cheque.

Here's your receipt.

My credit card doesn't work.

UK LIFE INFO

Let me check your account balance.

You are run out of balance.
